DELEGATES TO THE ELEVENTH NATIONAL 4-H CLUB CAMP

Washington, D. C., June 17 - 23, 1937

MISSOURI

<u>Delegate</u>	<u>County</u>
Lila Lee Conrad . . . . .	Buchanan
Joe Edmondson . . . . .	Greene
Neva McCracken. . . . .	Newton
Ray Milne . . . . .	Holt

Miss Conrad, who lives on a farm in Buchanan County, has had 9 years' experience as a member and leader of 4-H clubs, having completed projects in hot lunch, meal preparation, clothing, improvement of the home, home grounds, canning, potato growing, and wildlife conservation.

She has attended her county 4-H club camp 8 years and has served repeatedly as the camp leader in games and songs. She represented her county at the State Round-Up in 1934, and has twice represented Missouri at the National 4-H Club Congress at Chicago. She was cited as the most outstanding girl in 4-H club work in the State in 1936. She has won recognition in wildlife conservation work by collecting, mounting, identifying, and exhibiting more than 100 species of Missouri wild flowers.

Lila has filled the office of local leader, secretary, reporter, vice president, president, song and game leader.

Mr. Edmondson, lives on Rural Route 10 out of Springfield. He has completed 18 club projects in the 8 years he has been a club member. He has also organized and led three clubs. He has worked in the following clubs: Market, pig, baby beef, farm record keeping, bred gilt, cow and calf, poultry, potato, and meal preparation. He has been a member of club and county judging and demonstration teams and has won many honors. He has participated in the State Round-Up and has exhibited at the State fair with credit to himself and his community.

Joe has helped many younger boys in his own community and in other communities in his county.

He has represented his club at the State fair, State forest camp, and National Dairy Congress, and has filled the offices of local leader, secretary, reporter, president, song and game leader.

Miss McCracken, besides successfully completing eight club projects of her own during 6 years as a member, has organized and led four clubs among younger girls.

Her experience as a member and leader has included work in clothing, canning, meal preparation, more attractive home, and health and first aid.

Five times the excellence of her work in these activities has entitled her to represent her county at the annual 4-H Club Round-Up at Columbia. She was style-show champion of her county in 1934 and placed first that year in the wash-dress division at the State Round-Up. Her 7 years of club work so interested this young woman in clothing, foods, health, and home improvement that she decided to specialize in home economics.

In addition to filling all the offices of her club she is now president of the University 4-H Clubs.

Mr. Milne, of Holt County, has had 10 years of 4-H club work including 3 years of service as a leader. His work has been specialized along the lines of corn and pork production, and in this work he has won many honors for himself and his county. His work in demonstration-team work has been outstanding both in county and State-wide competition.

He was in second place in the county health contest in 1932. Ray has attended both the State Round-Up and the 4-H club camp each year for the last 5 years, and has been local leader, secretary, vice president, and president of his club.
